BALLET

Leo Mason

Ballet is a breathtaking photographic collection, celebrating the precision, athleticism and artistry of classical and contemporary ballet. Live performances allow us to admire ballet's visual splendour from afar, but rarely are we given the opportunity to study dynamic poses, leaps and lifts in intimate, close-up detail. An inspirational companion for dance aficionados, performing arts enthusiasts and keen photographers.

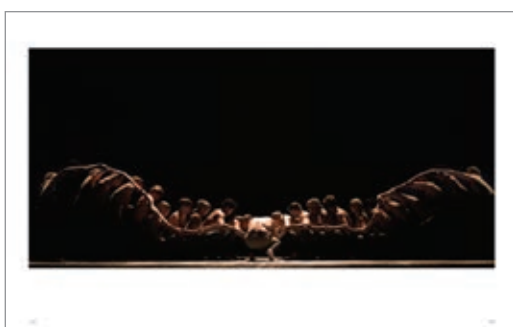

Featuring Carlos Acosta, Tamara Rojo, Vadim Muntagirov, Daria Klimentova and Ivan Vasiliev.

Sally Davies is a photographer whose works are in the Museum of the City of New York and the 9/11 Memorial Museum. She is the author of the acclaimed McDonald's Happy Meal project (1.5 million online hits) and her archive is part of the Downtown Collection of Fales Library at NYU. She took Allen Ginsberg's old apartment when she moved from Canada to New York in 1983, and she still lives in the East Village with her dog Bun.

THE ALCATRAZ ESCAPE BOOK

Solve the Puzzles to Escape the Pages

Charles Phillips & Melanie Frances

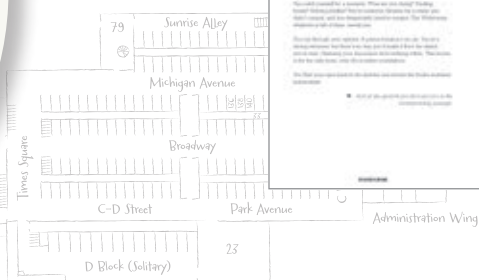

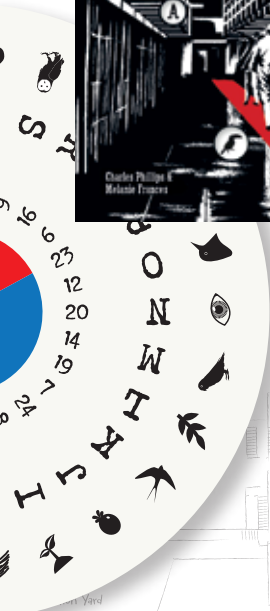

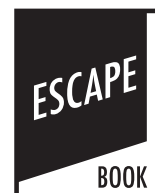

Readers will take on the role of Scott Wilson, a member of an underground US environmental movement called the Wilderness, who has discovered that a farming lobby is illegally using toxic pesticides to sell large amounts of land cheaply to corrupt politicians. There is enough evidence safely tucked away in a secret location to bring these criminals to justice, but a failed sting operation takes place which leaves an FBI agent dead and Scott framed for the murder.

THE SHERLOCK HOLMES ESCAPE BOOKS

The *Sherlock Holmes Escape Books* series is a spin on the current urban craze for 'Escape Rooms', in which participants are locked in rooms, and must solve the puzzles they find there to make good their escape. There are maps and mazes to explore; references to the original Sherlock Holmes adventures to unravel; and a code-wheel that holds the key to unlocking the next page. Solve the puzzles correctly to escape. Get them wrong, and you will find yourself further and further along the path to your own demise.

SOLVE THE PUZZLES AND ESCAPE THE PAGES!

THE ADVENTURE OF THE TOWER OF LONDON

Charles Phillips & Melanie Frances

► *Turn to 57.*

In the latest adventure in the series, readers will take on the role of the world's foremost consulting detective, Sherlock Holmes. Holmes's nemesis Moriarty has locked Sherlock's friend, the musician Odon von Mihalovic, with the Crown Jewels in a cage in Tower Bridge the night before a special ceremony is due to be held for the Queen. Holmes and Watson are themselves trapped in the nearby Tower of London by Moriarty, and they must work through the night and against the clock to find and free Odon from the cage to prevent him being disgraced in the ceremony the following morning. Combines riddles, logic puzzles, timed challenges, mathematical brain-teasers, maps and mazes.

EXTINCTION

Our Fragile Relationship with Life on Earth

Marc Schlossman

Extinction showcases ten years of photographing endangered and extinct specimens in The Field Museum in Chicago. The images lead the reader to the species' stories, promoting a greater understanding of conservation efforts, reasons for decline (including climate change, habitat loss and overexploitation) and mankind's stewardship of life on Earth at a critical time in history.
